Principal,
Kalpana Chawla Memorial Public School,
DHARAMPURA (Mansa)
Subject: -Bulding Safety Certificate (Year 2025-26)
Havala : Ref. KCM/290 dated 05/04/25 has been sent to me.

Your school building has been visually inspected by the Sub Divisional Engineer's office and as per their report / recommendation, School Building Safety Certificate for the year 2025-26 dated 31-03-2026 subject to the following inspections and conditions.

- 1) Thus, the Structure Safety Certificate has been given by Manish Kumar Jindal on 22-04-2025 and as per his certificate, the school is safe for use for the session 2025-26, but this school has not been constructed by this department. Therefore, the safety of the school structure, especially from the point of view of the school, cannot be ensured by this department.
- 2) Never again will a team be reborn on a day when the daughter of a mother, who was born in the evening, will be left with a chain of chains, and an immediate inspection should be arranged and after completing that part, its safety certificate should be obtained again from this office.
- 3) If the walls, foundation and foundation of the building subside due to a natural disaster or any other reason, then in this case, the school should immediately inform this office about the condition of the building and the building should be put into use only after an inspection.
- 4) Fire safety and electrical safety certificates should be obtained separately from the concerned department.
- 5) Keeping the safety of the school building in mind, it is the responsibility of the school management to get the building repaired. Despite this report, the school management is responsible for the safety of the building from all aspects.
- 6) The school should have a plan to deal with any untoward incident, including the safe evacuation of children from the building during an emergency and coordination with the relevant department. The school should regularly review and update this plan to ensure its effectiveness.
- 7) As per the instructions of the Punjab Government, the school administrator himself will be responsible for obtaining approval for road to access from the concerned department.
- 8) The school must provide appropriate safety training to staff members, including procedures for handling emergencies, first aid, and evacuation protocols.
- 9) Five thousand rupees (5,000/-) received as building inspection fee vide G.R. No. 4828737 dated: 07/05/2025 as per the covered area of the school.
- 10) This report is not valid for legal purposes.
